

SBA Paycheck Protection Program – Update 5/5/2020

If your business is interested in applying for the SBA Paycheck Protection Program (“PPP”), please [CLICK HERE](#) to submit a request for an application packet.

If you choose to proceed, an application packet will be emailed to you. Please submit your application along with all supporting documentation as soon as possible. You will need to fully complete the entire application and remember to initial in all required spaces. Also complete the PPP Application CIP, Beneficial Ownership Certification and Corporate Resolution indicating authorized signers for borrowing.

You will receive a separate email that provides you a link to submit all required payroll documentation (per the checklist) securely along with all completed forms. Any missing information or documentation may cause a delay in the submission to the SBA since your application will not be submitted until NVE Bank completes a thorough review of the payroll records.

Please note that we will do our best to submit your application, but there are no guarantees that all applications we be approved before the SBA exhausts the funds once again.

If you have any question's please let us know.
